## THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

NIC #8973-82  
5 November 1982

National Intelligence Council

MEMORANDUM FOR: NIC Administrative Officer

FROM : Milton Kovner  
NIO for Western Europe

SUBJECT : Use of Contractors and Consultants

In response to subject request, you might consider the following in monitoring the consultants budget.

1. I am currently preparing a list of possible consultants on West European affairs and plan to visit many of them to inquire about their capabilities and interests. Thus, although we have no specific plans on the books to employ consultants through 30 September, I would hope that some monies could be reserved for us for this purpose.

2. I am informed by [ ] that a seminar he is planning in conjunction with us [ ] will involve the travel and per diem expenses of perhaps 10 persons from outside the government. It is possible that the number participating will be less and that the DDI will absorb some of the expense. At the outside, however, we should plan on an expenditure of [ ] for the meeting.
